

2025 EMERALD PACKAGE DETAILS

We hope this packet will provide you with the information you need to plan a successful event. Please read all the enclosed documents carefully to gain a clear understanding of your rights and obligations as an Emerald Package client.

The Emerald Package is ideal for any special event. The benefit of the half-acre site is not only the beauty of nature in every direction, but it also houses a private lounge and allows the flexibility to customize and style your event. Everything from a formal sit-down affair to buffet.

The Emerald Package provides for your ceremony, reception, and rehearsal; includes furniture for up to 98 guests and covers all your guests' Park entry fees. The Emerald Package reservation fee also includes exclusive use of the half-acre Irish Garden. You may also walk about the surrounding gardens, English, Scottish and Oriental Gardens before or after your ceremony for pictures, these specific gardens remain open to the public while your reservation is in place.

If weather is an issue, the ceremony is moved inside, and/or we can discuss the possibility of the rental of our 20' x 30' tent set up in the Oriental Garden if available, closest gorgeous garden to the Irish Garden parking lot; our tent can shelter up to 80 guests. Of course, if you choose to move the ceremony to the Oriental Garden with or without the tent, we will waive the garden ceremony fee of \$600.00, and only if you choose to have us set up the tent, an additional \$600.00 is due the week of the wedding. That decision is made by you and communicated with our Facilities Director by 12:00pm, the Thursday of your wedding week.

The Emerald Room is a handsome stone-sided hexagon shaped building with a breathtaking wood cathedral-style ceiling. The room is heated as well as air-conditioning and houses the dining, dancing, bar and private lounge.

The Emerald ceremony space is complete with shamrock brick inlays in the walkway, water fountain and built in benches and is surrounded by a 6' high stone wall and wrought iron fencing with a set of gorgeous wood doors. Once the ceremony is over; the wood doors open wide to welcome your guests to cocktail hour set up in the Irish Garden, while you and your bridal party walk away for photos in all the surrounding gardens. The Emerald ceremony gazebo has power for your ceremony music; as well as a center hook for the occasional chandelier ("It was stunning at night", envisioned by Tami Myers of Event Connoisseur in Glastonbury) for lights, floral arrangements, tulle, etc. We have some photos to share-our couples have been quite creative.
